APPETIZER

What's your favourite fruit and your least favourite fruit?

MAIN COURSE

In what ways does our hunger for 'more' and 'beyond' show itself in our culture and in our lives?

What do you think of when you hear the word 'fruitfulness'?

Use John 15 vs. 1-8 to open up a discussion.

What speaks to you from this passage?

In what ways have you experienced God's pruning?

What was it like? What was the affect?

How can we 'remain' and 'abide' in Christ?

What have you learned about this?

Use John 15 vs. 9-16 to open up a discussion.

Jesus uses the metaphor of 'friendship' leading to fruitfulness.

What should this mean for us?

Spend some time praying for one another and encourage people to share the areas of their lives where they want to see more of God's fruit.
