

Lifegroup Notes

29/4/12

1. What comes to mind when you think of danger?
This could be from a film, sporting activity...
Have you tried anything dangerous?

3. Works

Each week there will be a 'Dangerous Love' challenge for you to take on.

Think about the most dangerous prayer you can pray at this point in your life. Write it down, pray it, then tell someone close to you about it.

2. Word & worship

Read Luke 10 v.25-28

When it comes to loving God, what do you understand by the four aspects of 'heart', 'soul', 'strength' and 'mind?'

Open up a discussion about how we 'show' our love for God and how we 'grow' our love for God?

Encourage the group to talk about the devotional part of this with how we pray, worship and spend time with God. Read Psalm 139 v.1-12 & v.23-24 and Matthew 6 v.5-15 & v.19-21

What can we learn about the presence of God and how we should approach Him?

Reflect on the three phrases, 'shut it out', 'touch it down' and 'strip it back.'

Is there anywhere in our lives that God may be challenging us?

Loving the Lord with all your heart, soul, strength and mind is about personal commitment.

Lead a time of prayer and worship, which starts with recommitment and then pray for those who are struggling/challenged/hurting in one of the four aspects.
