

# Lifegroup Notes

## 13/5/12

### 1. Welcome

What were your experiences of 'the talk'? Did it happen? Who did it? Was it embarrassing?! Today we're having 'the talk'!

### 3. Works

Each week there will be a 'Dangerous Love' challenge for you to take on, this week there's 2!

1. Next time you see or hear something of a sexual nature switch it off or leave the room.

2. Find someone you trust and share with them an area where you are vulnerable to temptation and ask them to help you be accountable.

Books – The Every Man series – books for men & women, married or single.

### 2. Word & worship

Start with worship centred on God's love for us.

Take a large sheet of paper and in the middle write, 'His love is...'

Then invite the group to come and write answers to that question.

Then look at what the group have written and pray and worship, thanking God for His amazing love.

• When it comes to the subject of sex, in what ways have views in society changed over your life time?

• Why do you think we find it hard to talk about this subject at times?
