Doctor's opening question

See who can recite the most memory verses from the series!

Doctor's tests

Looking back over this series on David, what has impacted you the most? What will you take with you?

Why is it hard at times to keep our heartbeat in rhythm with God's?

Discuss the 3 statements:

- life is too short to play it safe*
- life is too short for it to be all about you*
- life is too short to live with unploughed ground*

What have been your experiences of any of these?

Doctor's diagnosis and treatment ...

Use 2 Samuel 22 to lead into worship. Ask people to read sections, pause as you read, invite God to speak as you read the chapter slowly.

Finish by praying for each other that you would each have a heart after God.
