Talk Notes

It's said that the average person makes **35,000 decisions** each day. Most are made automatically, this is why it's important every so often to review why we decide what we decide!

Genesis chapters 2 and 3

The power of decision that resulted from Adam and Eve is death. But because of what Jesus did on the cross the decision is now yours to choose life!

Some people don't make the tough decision because of fear of making the wrong decision, so they make no decision which in itself is making a decision.

You can decide not to decide - that decision is yours!!

Mark 10:17-31

The rich young man makes the wrong decision

Luke 19:1-10

Zacchaeus makes the right decision

I DECIDE TO...

I DECIDE NOT TO...

The Power of Decision

Lifegroup Notes

Welcome

This may be the first Lifegroup after the Easter period, use it to catch up and share stories of what you have done.

Word

Read Genesis 2:15-3:24, Mark 10:17-31, Luke 19:1-10.

Spending time in scripture is important.

Discuss all the decisions that have been made in these passages.

How have some of the decisions made affected you?

Do you agree the power of decision is important and why? What does it mean for you?

How do you make decisions, and how do they affect your everyday life?

Is it good to review why we decide what we decide?

Worship

Read John 3:16 then spend time thanking God for the decision He made to send His son Jesus to save us. Pray for people who may have not yet made the decision to follow Him. Pray for members of your lifegroup who may be facing tough decisions at the moment.

Works

Think of your walk with God, decide to grab hold of something positive that will help and let something go that hinders you. Be committed and make a decision to hand this to God!
