

Sunday 24th November

The Games We Play ... "Monopoly"

Lifegroup Notes

Welcome - As Christmas is approaching, what's one thing you are looking forward to the most? What's one thing you are apprehensive about concerning Christmas?

Works - Tonight all Lifegroups are being asked to spend some time in prayer for various issues relating to our church.

- **The Third place** - Please pray for Leon and the meeting on Nov. 28th at 4PM. Pray for wisdom, clarity and an outcome that is in line with what God wants for us.
- **Youth and Children** - Please pray for Andy, Helena and the teams that lead our youth and kids work. Pray for strength and insight for them and that our young people will connect with God.
- **Christmas** - Pray for the opportunities we will all have the next few months, the carol concert and other events. Pray that many unchurched people will come and be challenged by the message and will want to come back!

Word - Read Matt. 6 v.19-24

- Why does Jesus make the links he does between eyes and heart?
- Why is 'treasure' such a powerful thing?
- What are ways we can tell if our focus is on treasures of earth rather than heaven?
- Why is Christmas such a challenge to this teaching?
- What have you learned about this subject?
- What are you doing in your life to help ensure you are storing up treasures in heaven?

Read Matt. 6 v.25-34

- What is inspiring to you about this passage of the Bible?
- What is challenging to you about this?

Is anyone under pressure in these areas right now? Can we pray for you?
