

**Sunday 2<sup>nd</sup> February**

**Follow – Week 3 – The Evidence**

**Lifegroup Notes**

**Welcome** - What one fashion item would you love to see come back into fashion?

**Word** – In the time that we've got we are looking at the evidence for being a follower.

### **1. The clothes we wear**

- Talk about a time when you encountered a Christian who was more interested in making a point than making a difference. How might that person affect how people view Jesus?
- Read Col. 3 v.12-14. What are some of the challenges to living the kind of life Jesus calls his followers to live?
- Which of these 'clothes' do you find the most difficult to wear for you?
- Why does Paul describe love as the overcoat?
- Read 1 Cor. 13. Why do we usually only refer to this chapter at weddings?
- Why are the qualities of love written here so powerful if we could live them out?
- Think of one person in your life who is difficult to love. What is one thing you can do this week to better love that person?

### **2. The choices we make**

Jesus followers also evidence that by the choices they make around decisions, priorities and responses

- What "follower" choices are you considering right now in your life?
- How can the group support you in those choices?

**Worship and Works** - Spend some time reflecting on God's love for us.

**'You cannot love like God if you're not being loved by God'**

Worship and pray for one another.

Then pray for those who don't yet know his love that they would be drawn to Him maybe through our lives by the clothes we wear and the choices we make!
