

Sunday 18th May – Thrive – Week 4 – Lifegroup Notes

Big idea = "We thrive by developing an immovable, unshakeable trust in who God is"

Dig deeper - (Looking at God's Word)

Ask the group what has impacted them through this 'Thrive' series?

Read Daniel 3 v.13-18

- This story reveals their level of faith and trust in God. They believed God was able, but if He didn't act, they were still going to honour Him ... Why is this level of faith so impressive?
- What do you think 'faith' really is?
- What are some of the misunderstandings, errors and confusions people have about what it means to put your faith and trust in God?
- When have you experienced that God was able?
- When have you experienced that God didn't give you the answer you wanted, but you came to trust Him anyway?

Plant - (Applying it to our own lives)

Read the following verses.... Isaiah 41 v.10 / Psalm 62 v.8 / Proverbs 3 v.5 / Romans 15 v.13

- What do these verses teach about putting our trust in God?
- How do you think we can develop an immovable and unshakeable trust in who God is?

Read Daniel 3 v.19-30

- What were the outcomes of their amazing trust in God?

Water - (Inviting God into your situation)

Ask if anyone is going through a tough time right now, a 'fiery furnace' or a 'den of lions' type experience? If they are, then invite them to sit on a chair in the middle of the room and gather round them and pray for them. Speak words of encouragement over their lives, be bold and invite the Holy Spirit to lead and to move.
