

Sunday 30th November – Lifegroup notes – Brother beyond

Welcome

Share with the group a band or singer that you liked but never admitted to whilst growing up.
Share a funny relationship story.

Worship

We love each other because He first loved us (1 John 4:19). Spend some thanking God for His unending and unconditional love. Thank Him for the way it changes us and shapes us. Read and declare Psalm 136 in your group.

Word

Explain that the discussion is based on relationships and use the following questions ...

- What are the benefits of relationships? Do you agree they're God's greatest gift?
- What are the tensions? Why should we persevere?
- Why is it important to focus on our relationship with God the most?
- Why is it important to love each other?

Read 1 John 4:20-21 ...

- What are your thoughts?

How can the two questions Simon asked on Sunday help us in our relationships ...

- 1) What do you need to ask in order to take an axe to?
- 2) What do you need to destroy before it destroys you?

Works

Choose a relationship you can invest more into this week. Keep thinking of who you can invite to church over the Christmas period and to the Alpha Course in the New Year.
