

Ask it - Week 4 - "The question God will ask you"

Welcome - If you had to pick your chosen subject for 1 minute of questions what would it be and why?

Word - This is the last night of the 'Ask it' series.

- What questions would you like to ask God if you could and why?
- What questions might God ask of us one day do you think?

Tonight we will look at 2 questions...

1. **The question God will ask you someday..."What did you do with what I gave you?"**

Read Matt. 25 v. 14-30

- What's scary about this story?
- What do you think it means to us?
- What do you find inspiring and motivating about it?
- Why do we sometimes struggle in the areas mentioned on Sunday; time, talents, treasures?
- What have you learned when you have given in these areas?

2. **The question God will ask you everyday..."Where are you?"**

Read Genesis 3 v. 8-12

- What impacted you from what was shared Sunday?
- In what ways do we, or can we, hide from God?
- Consider the phrase, 'God is not hiding and we are seeking, it's often the other way round'. How does this impact you?
- When have you experienced God reaching you when you've been hiding?

Worship & Works - If it's true that God seeks all people, spend some time praying for people you know who may be hiding in all kinds of ways. Finish by praying for one another and worshipping our God who pursues us with passion, grace and love.
