

## Life Group Notes

### “Stories.....”

#### Welcome

What's the greatest story that has ever impacted you? (Childhood story or other)

#### Works

There were some incredible stories at the baptism service on Sunday and we are hearing many stories of what God is doing at the moment in Zion. Last Monday 6 people became Christians at the Alpha Course!!

Share some stories with the group, of what God has done or is doing in your life at the moment - maybe take a couple of minutes each to share your story of coming to faith, and encourage each other to share it somewhere else this week.

#### Word

The verse used on Sunday was **2 Corinthians 5:17**, but read verses **14-17** and open up discussion on what they mean.

- What is Paul trying to get across?
- What does being a new creation/person actually mean?

Read verses **18-21** and discuss further.

- What do these verses mean for us?
- How should we live our lives in light of this?

#### Worship

Take time to thank God for all the stories that we are hearing. Thank Him also that we are part of a bigger story, His story!! Pray for those that were baptised on Sunday but especially for others that don't know God, that they would come to be part of His story.
