

The Life ..

Welcome

If you had to dress up as an Easter character what would you be and why?

Word

As Christians we have the privilege of the power of the resurrected Jesus within us through His Holy Spirit. Jesus in the midst of us can enable us to know His transforming power in many different ways .

Read John 20 :19-31

After His resurrection, Jesus gave His Holy Spirit to believers on His first appearance on the Sunday evening.

New Peace. (John 20:19)

In your experience how do people imagine that they will find peace?

- What does it mean for you to live at peace with God? Imagine someone who truly was at peace with God – how would they talk and behave?

New Hope

- How does the idea of resurrection transform our disappointments over what we might have failed to achieve?
- How hopeful do you feel about your future? Do you need to ask God to heal any sense you have had of feeling hopeless.

New Joy

- How much pleasure do you feel when you spend time with the Lord?

New Purpose

- To what extent can you say that you live beyond yourself on a daily basis?
- Where do you feel the Lord has sent you or is going to send you?

New Power and Authority

Are there any areas of your life that feel dead right now? Why not pray into these.

Worship

Praise God for how you have experienced the Holy Spirit working in your life.

Works

Most of us are “sent” to our immediate workplace, neighbourhood and family and this is where we live out our call to mission. How passionate are you for this aspect of mission? Do you need to ask God to give you a fresh heart of compassion and love for those immediately around you who do not yet know God?
