

## Welcome

Describe a time you got lost on a journey. What happened? What did you learn?

Tonight we are looking at the next verse in Psalm 23....  
'He guides me along the right paths for His Name's sake'

## Word

When Jesus takes on responsibility for being our shepherd that includes guiding us on the right paths in life.

- What are some of the common questions people have when it comes to the subject of divine guidance? (Encourage the group to share their questions)
- What examples of guidance can you share from your own life?
- What have you learned about God through times when the path wasn't that clear?

Jesus is the shepherd who takes responsibility to guide us but there is a part we play...

Firstly we must stay connected.      Read John 10 v.1-18

- What have you learned about staying connected to Jesus?

Secondly we must stay humble.      Read 1 Peter 5 v.5

- What is humility?
- Why is it so important to God?

Thirdly we must stay open.      Read Psalm 119 v.105

- Light comes from God's Word and wise counsel. Why are these so important and also challenging to us at times?

## Works & Worship

Finish the evening by thanking God for his guidance for you and praying that He will continue to guide us as a church.

*Specific prayer points:*

- The ongoing insurance process after the fire
- Wisdom and energy for The leadership
- The Alpha course that has just started
- The community work that has been disrupted because of the fire
