

Welcome

Play the thankful game....ask each person to say something they are thankful for right now; involve everyone.

This week is the last week of the 'Live life now' series based on Psalm 23

Looking back on the last few weeks since the fire...

- What are you thankful to God for?
- What have been the highlights for you over the last few weeks in the church?
- What have been some of the highlights for you from the series on Psalm 23?

Word

Now look at the last few verses....

'You prepare a table before me in the presence of my enemies'

- What impacted you about this from what was shared Sunday?
- How do you experience Gods provision in the middle of tough times? Give examples?

'You anoint my head with oil'

- Again how did your view of this change after hearing the context behind this verse?
- When have you experienced Gods healing in your hurt?

'My cup overflows....surely your goodness and mercy will follow me all the days of my life and I will dwell in the house of the Lord forever'

- What does this mean to you?
- How do these verses make you feel about life right now and for the future?

Worship

Finish by taking communion as a group.
