

The Big Idea

Jesus wants to get our attention but we are a distracted generation!

How do we turn aside and give him our full attention? Because when we do everything changes!

Welcome

What things distract you the most in life?

What things do you wish didn't distract you so much?

Word - Read Luke 9 v.28-36

This is known as the 'Transfiguration' and was a defining moment for these three disciples.

- How do you imagine this scene to have played out for the disciples? What might have been their emotions during this encounter?
- How do you imagine you might have reacted if you'd have been there?
- Why do you think Peter responded the way he did?
- In what ways do we sometimes respond like Peter did?
- In what ways do churches respond like Peter did?
- How might this encounter have affected these three in the future?
- When have you had an encounter with Jesus that affected or impacted you deeply?
- In what ways are we a 'distracted generation?' (Talk about what was shared Sunday)
- What have you learned about giving God your full attention?

Look at Matt. 17 v.6-8 another version of the same event....

- Why is this such an important verse?
- In what areas of your life right now do you need to see 'no one except Jesus?'

Spend some time praying for one another and be prepared to speak into each other's lives.
