

Welcome

When was the last time you stepped out and did something new or stretching?
What happened, what did you learn and what did you experience?

This week the UK voted to come out of the EU. Without going into who voted for what and how you feel about what happened, spend some time in prayer for our nation.

- Pray for a sense of unity and peace to come
- Pray for our leaders and the immense challenges that are ahead.
- Pray that God will use this situation and bring some good especially the spreading of the gospel!

Word

Read the story that DJ spoke about on Sunday, Matthew 14 v. 22-33

Here are the points he covered....

1. Fear not... (vs.27)
2. If it is you Jesus .. (vs.28)
3. Come.. (vs. 29)
4. But when he saw the wind .. (30)
5. You of little faith .. (vs.31)
6. When they climbed into the boat .. (vs.32)
7. Those in the boat worshipped .. (vs.33)
8. It wasn't me, it could have been me. .. it will be me!

Open up a discussion using the story and the points covered Sunday.

- What impacted you?
- What questions do you have?
- What has been your experience of stepping out of the boat?
- What is God saying to you from this story right now?

Finish by praying for each other.
