

## Welcome

As another academic year draws to a close, our children and young people will be looking forward to their summer holidays. In September many of them will start new schools or college. What are you looking forward to in the coming weeks?

## Word

What is the biggest transition you've ever had to make?

Where do you see generational gaps in our society/culture?

*Galatians 3:28 – “There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus”*

What examples of generational unity do you see in our church?

How do you think you can invest in the next generation?

If you are already involved in relationships across the generations share how this came about.

Share any tips for those who are nervous about trying to make connections across the generations.

Spend some time praying for young people as they make some important transitions this summer.

Pray for families as they support the transitions and decisions their young people face.
