

Welcome

What's the first movie you remember watching as a child or what was the first movie you remembering impacting you as a child?

What's the last movie you watched that impacted you and why?

Word

The summer series is based on movies.

This past Sunday was 'the sound of music'

- Who likes the sound of music and why?
- What's your favourite movie and why? (Or one of them!!)

On Sunday Leon spoke about why we sing and how God feels about singing.

Read the following verses out then open up a discussion using the 10 points Leon spoke about that are listed below.

Col. 3 v.16/ Zeph. 3 v.17/ Ps. 71 v.23/ Acts 16 v. 25-26/ 1 Cor. 14 v.15/ Is. 54 v.1-3

- Which of these 10 points below do you have experience with?
- Which do you find difficult to do or engage with?
- Which of these inspires you to want to sing to God?

We sing because God tells us to

We sing because God sings

We sing because we feel like it

We sing because we don't feel like it

We sing because we need to identify

We sing because it's a great way to learn

We sing because we need great words on our lips

We sing because some things can only be expressed through songs

We sing because it can birth the promise

We sing because it prepares us for eternity

Ask if anyone needs prayer right now. Maybe they need God to sing a song over their lives?

Finish by praying for each other and then why not.....sing!
