

Welcome - What's the best thing for you about coming home when you've been away for a while?

Word - This is the final week of the True North series.

- Looking back on the series which compass has impacted you the most and why?

Faith - character - identity - passion - endurance - hope

Read Heb. 6 v. 16-20

- "*Home is where you drop your anchor*" - what does this saying mean to you?
- What do you think of when you hear the word 'hope'?
- Why is hope such an important compass for us to possess?
- "*Our hope is an anchor tethered to eternity*" - what does this phrase convey to you?
- What does it mean to have an eternal perspective?
- Why is this such a hope for us?

Read the following passages of scripture and use them to open up discussion....

John 14 v.1-3 / 2 Cor. 4 v.17 - 18 / Rev 21 v.3-4

- What do these readings actually say?
- What issues do they speak into?
- What are the implications for us, if we set our hope towards eternity as our home rather than earth?
- Are there areas of your life where you need hope right now?
- Are there areas where you need an eternal perspective to be where you drop your anchor?

Pray for one another.....

- Why should an eternal perspective be such a motivator when it comes to sharing our faith with others?

Pray for people you know who don't know Christ.
