

Welcome

Would you describe yourself more as a starter/initiator of projects or a completer/ finisher?

What are some of the projects that you have begun but never gotten round to finishing?

Word - We are now in the second week of our 'Hungry' series, this week we are looking at '*Hungry to the finish*'

Read Philippians 3:12-16

These verses talk about pressing on towards the finish

- Why do you think we are finding it increasingly difficult to remain faithful to our commitments and choices in western society? Do you see evidence of this in your own life?
- In what ways has this impacted how we view faith and our commitment to God?

In Philippians 3:14 the passage talks about pressing on towards the end of the race towards the prize.

- In western culture we think very little about our faithfulness to God for the whole of our lives, why do you think this is?
- How easy is it to sustain a deep hunger for God and the things of God over a long period of time? Do you think this is possible?

Read Numbers 13:25-33 and Numbers 14:5-9

This is the passage we looked at on Sunday, and discussed how there can often be giants that stand in the way of our 'finish'.

- What are you going through at the moment where you are hungry to reach 'the finish'?
- What are some of the giants that might knock us off from finishing our journey well?
- What is a giant that you have already overcome? What fruit came from that or what was on the other side of it?

One of the key factors as to whether people focused on the fruit or the giants was who was surrounding them.

- Do you have one or two people in your lives who will stand and fight your giants with you? How do they do this?
- How do we grow a culture together of fighting giants and celebrating fruit?

Finish by praying for those who feel that they are fighting giants at the moment and maybe celebrate the fruit that God is growing in them because of it.
