Hungry for More!
Sunday 26th March 2017

Welcome

Think of a time when you were hungry for more? Share this experience. E.g. Good food, a holiday, a God experience, something you didn't want to end.

Word

This is the Fourth week of our 'Hungry' series and we are looking at 'Hungry for More'

Read *Ephesians 1: 3-12*

These incredible verses talk about what's been done for us and how we can have more!

Discuss, share and unpack what these verses mean to you and how they should inspire us to want more of God!

- What can be some of the barriers to experiencing more of God?
- How can we address this?

Discuss the “pathways of more” that Simon talked about on Sunday. Why are they important? (Holiness, Honesty, Humility) Look at *1 Peter 1:16, Philipians 2:3, 1 John 1:9*.

- Do you agree there's a price to More?
- What does less stuff, less self, look like. Open up a conversation.

Discuss the privileges of more... Peace, Presence and Power. What are some of the others?

Read *Ephesians 3:20*

- Discuss how we can experience more of God during good times and how we can expect more of God during difficult times?
- What does “according to His Power at work within us” actually mean?
- What do you desire God to do more of in you and through you?
- Think about what this looks like personally and if you're able, share with the group.

Pray for each other in the group; those in a good place and those that maybe in a difficult place. Pray that God would do more in and through you.

Pray for our nation especially after the events of last week in Westminster.

Pray for us as a community as we head towards Launch day!
