

Lifegroup Notes

More than a wave!
Sunday 9th April 2017

Welcome

Think of a time when you met/went to see a famous person – were your expectations met?

Word

This is the week after the baptisms when people celebrated the time they came to know Jesus and start their relationship with Him. In life group tonight we're thinking about how we can ensure relationship with Him develops over time.

Read *Acts 4:13*

Also read *John 13:34-35*

Through both of these passages people knew that the disciples were Christians by the way that they behaved and particularly how they loved each other.

Do you think that people can guess that you know Jesus, by the way that you live your life? How can you live more like Jesus?

On Sunday, Andy talked about our relationship with God, not just being a weekly 'wave' at him but knowing Him closely like a friend.

Can you think of times in your life when you've been through a season of just "waving at God?"

What brought about a change?

What are some things that you can put in place to make sure that you don't just go through the motions?

In small groups (2's or 3's) chat about how you feel your relationship with Jesus is at the current time and consider how can you breathe new life into your relationship with Him?

Works

Often the best way to breathe life into your walk with Jesus is to talk to someone about Him, or start praying for someone to know Him. Is there anyone in your life that you can start praying for and even invite to Launch day on Easter Sunday?
