Disconnected? There's an app for that! Sunday 21st May 2017

Welcome

Take a survey of who's on social media in the room. Then ask how has social media impacted your friendships for better or worse?

Word

The theme this week is Disconnected? There's an app for that!
The App is Relationships... Relationships with each other and our relationship with God.

The phrase that was used on Sunday was "*In a world where we've never been more connected we've never felt more disconnected*"

Do you agree/disagree? Explain why?

Read Hebrews 10:24-25, Proverbs 27:17, Proverbs 13:20

How can we be better at building relationships face to face rather than thumb to thumb?
What are some of the biggest barriers that affect our relationships?
Why are the relationships we have with others so important?
How can we invest more in our relationships, with each other and with God, so that we don't become disconnected?

BE PRESENT, BE OPEN, BE HONEST

Discuss what these mean and how you can use them in your relationships with others.

Read James 5:16

What would it be really be like if we did this?

Craig Groeschel says "We can impress people with our strengths but we connect with people through our weaknesses." Discuss how we do this.

Disconnection was never meant to be our story so God started rewriting it immediately.

Pray for those who may be feeling disconnected if appropriate, ask them the 'Where are you' question that we used on Sunday and take time to speak into each other's lives and spur one another on.
