

Lifegroup Notes

Sunday 16th July

Laura Hancock spoke on Sunday.

In your Life Group please use the following questions as a basis for discussion.

What things do you think are typical of your generation?

What are some of the positives about the younger generations?

What are some of the challenges?

How do you think your generation can invest into the next?

What are some opportunities to be counter-cultural within church when thinking about different generations?

Spend some time reflecting on this scripture:

Galatians 3:28

There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus.

As a group pray for your generation then pray for the older and younger generations.
