

## Welcome

Think of an example where you have invested time, money or other resources into something where you have seen some positive results.

Think of an example where you have given time, money or other resources and you did not see the outcome you wanted or expected.

## Word

1) Read the following passages

**John 3 v16 , Mark 4 v 1-20, Matthew 25, Galatians 6 v 8-10, Matthew 25 :14-30**

What can we learn from these passages about investment and outcomes?

2) **Everyone , Everywhere, Everyday (found in the vision 2020 booklet )**

Reminds us we all have a part to play in the extension of Gods kingdom using our gifts and encounters with people every day.

Individually take time to think and write down where your **everyday** is and **everywhere** is... then list who currently is included in your **everyone**

Share together and keep these names and places for praying over later in the evening.

3) When a child is dedicated at Lifecentral Church we stand with the parents and say WE WILL to the following –

Will you pray for children, support and encourage them, give them a clear example of what it means to be a Christian and do nothing to cause them stumble or turn away from the God who loves them?

How do we follow this through and invest in the younger generation?

## Prayer focus

Spend time praying for over the places and people that are on your everyone, everywhere, everyday list

Pray for our young people, parents and carers and the work happening, through Nextgen Volunteers and staff across the three locations .
