

Lifegroup Notes

For the week of 24th June

Welcome

Knowing who we are in Christ is Key to reaching our full potential - with this in mind take a large sheet of paper and in the middle of the paper write the words WHO I AM. Have some pens ready and ask people to write words that describe who God says we are. You may want to play the song "Who you say I am" by Hillsong while you do this <https://www.youtube.com/watch?v=IKw6uqtGFfo>

Spend some time thanking God for who you are!

Word

Read Matthew chapter 3 v16- 17 and Matthew 17v 5

- 1) Discuss the 3 things the Father emphasised when talking about Jesus and the importance of these words for us today
- 2) As well as spending time alone with the Father, Jesus gathered others around himself. He did life in community. He gathered the 12 disciples. He had time with a few people away from the crowds. What does your community circle look like currently and how do we develop healthy community circles?
- 3) Discuss the following quote by Dallas Willard
'The aim of God in History is the creation of an all-inclusive community of loving persons with Himself included in that community as its prime sustainer and most glorious inhabitant'
- 4) Read Proverbs 31 v 8-9
Where are we currently doing this?
Give some examples of where you have seen this happening.

Prayer focus

We get a chance to be community and create environments where people develop and grow to their full potential

- 1) Part of our 20/20 vision is to establish 60 effective small groups. Please pray for us as we look at reviewing this vision. As Elisabeth and Nev join the staff team, pray that we would have wisdom and follow His lead.

'It may be above my pay grade but it's not above God's ' - Jonathan Allen

Pray for each other tonight in areas where you need to see God's intervention.
