

Theme = When your faith's in the fire, what do you find?

Check in with everyone, how are you doing?

The theme Sunday was looking at when your faith is in the fire.

Recap on the famous story from Daniel of the 3 guys that were put in the fire.

Read Daniel 3 v. 16-18.

- What's so inspiring about these verses?
- What's so challenging about these verses?
- How could we apply these verses to the current 'fire' we are all in?

Look at the 3 big ideas shared Sunday...

#1 - When your faith's in the fire you find it needs friends

- How are you connecting with other people through this season?
- How can we improve our connections as this goes on?

#2 - When your faith's in the fire you find it goes to another level.

- How are you connecting with God through this season?
- How can we go deeper with our faith at this time?

#3 - When your faith's in the fire you find there's another in the fire.

Read Daniel 3 v.24-25 - that 4th man is said to be Jesus standing in the fire with the 3!!

- How are you experiencing Jesus' presence in your life during this time?

Finish by praying for one another, that our faith would go deeper during this time...
