

Bigger than our doubts - Week 3

Welcome - check in with everyone, if their week was described as a weather forecast how would they describe it?!!

Word - this week we are looking at 'bigger than our doubts'.

- How would you describe what doubt is?
- In what areas of life do we actually embrace doubt, in other words we don't have certainty?
- While the Bible does say 'don't doubt' it also says don't fear and don't worry but we do, why is it important we face these issues and try to deal with them?

Read the story of Thomas, John 20 v.24-29....

- Imagine you are Thomas, try to describe what's going on in your head?
- How can doubt make our faith stronger?
- If we don't face and deal with doubt what can it do?
- Can we follow Jesus and still have some questions or even doubts?
- Read Mark 9 v.24, surely this is an encouragement to us if we have doubts?
- What kind of doubts have you had when it comes to faith, God and life?
- Where has doubt led to your faith becoming stronger?
