What does Jesus say about the mess of life?

A question to get started; (choose one or make up your own!)

- What's the most common things you search for on google?
- What's the strangest or quirkiest thing you remember searching for?

This week we looked at the mess of life.....

- What types of mess drive you crazy?
- What kinds of mess do we experience in life?

The 2 big ideas spoken about Sunday were these....

Jesus loves to fix what's messed up...but sometimes.....

Jesus needs to mess up what's fixed

Read the story Luke 7 v. 36 - 50

- What's powerful about this story?
- What's intriguing about this story?
- What's challenging about this story?
- The woman's response is an act of worship, what does this teach us about worship?
- What has been your experience of Jesus dealing with mess in your life?
- In what ways do we sometimes need messing up when things get fixed?
- What has been messed up in your life recently that now you sense the hand of God behind?

Finish by praying for each other, maybe there's mess that needs fixing? Maybe there's something fixed that needs messing up?

Could you pray for our church in Durres, Albania?

Over the last few months there's been an earthquake, a pandemic and now a suicide of a family that's been connected by the media to a church and that's proving really damaging to the church in the country....please pray for them....
