

**A question to get started.....**

What's something you struggle to see the purpose of?

*(Think of some ideas beforehand to help people get into the swing of it!)*

**The big idea = We are created on purpose for purpose**

- What difference does it make in our lives when we have a sense of purpose?
- What does the phrase 'fearfully and wonderfully made' mean to you? What does it conjure up in your mind and your emotions?

**An enemy of our sense of purpose is the Big C = CONDEMNATION**

- What comes to your mind when you hear that word?

**Read the story we looked at Sunday - John 8 v.1-11.....**

- What impacts you from this story?
- Why is it so powerful?
- If condemnation tears us down and keeps us down how does it do this?
- What is the difference between condemnation and conviction do you think?
- Why is it important to use the 'No vacancy' sign to guard our minds from condemnation?
- What have you learned about this in your life?
- 'While there's breath in your lungs there's purpose in your life' how do you react to this?
- What do you feel about your own sense of purpose right now?
- How has Covid affected us and our sense of purpose?

**Finish by praying for one another....be open to speak into each other's lives....**

**Pray for the church and our purpose, to help people find and follow Jesus....**
