

Week 5 A faith that works – How do I see breakthrough

What are some times where your mood has been different to those around you? Can you think of a time where you've had great news at a time when someone else close has had difficult news?

Read James 5:13

What are you thankful for at the moment? Where do you need prayer or breakthrough?

Take a moment to pray for those things now.

Read James 5:13-15

Are there any times where anyone has been healed supernaturally or any stories of people you know?

What are some stories where people have been healed by medicine and treatment?

Is one more spiritual than the other?

Why do you think that we celebrate the supernatural healing more than a natural healing?

Where do we need to be wise in how we pray for healing?

Read James 5:16

Do you always feel that your prayers are powerful and effective? Why?

Do you think it makes a difference the amount of faith you have when you pray?

Do you feel that your prayers can bring about breakthrough?

Read James 5:7-12

Why is it so hard to wait for breakthrough?

What do you think waiting for breakthrough produces in us?

Why do you think "We overestimate what God will do in the short term and underestimate what God will do in the long term."

Are you waiting for breakthrough/healing in anything right now?

Pray for each other.

If you can, play Wait On You from the Lifecentral Collective YouTube channel. Encourage the group to reflect on what God might want to say to them in the season they're in.
