

## **RESET - CG notes**

### **Week 4 - How's your love life?**

#### **Getting started**

What's your favourite rom-com or love film and why?

#### **Getting stuck in**

Remind everyone we are looking at the 3 themes of Faith, Hope and love

The LOVE we are considering is not romantic love but Agape love....God's love.

We don't get to define what love is Jesus has already done that!

Read 1 Cor. 13 v. 4-8. Encourage different translations to be read....

- What strikes you as you hear these words?
  - What encourages you and what challenges you about these words?
- On Sunday Leon talked about loving people outside of our Circle....the difficult, different, damaged and dangerous.

- What challenges you about this thought?
- Where do you see this playing out in the world and society around us?
- What have been some experiences you have had of loving outside of your circle?

When you read the passage again replace the word 'love' with your name.

- How does that make you respond?
- Now replace it with 'Jesus'...then with 'Jesus in me' - why is this so important to grasp?

#### **Getting practical**

- Where do you feel you need a LOVE reset right now?
  - How can we practically grow in this kind of love for one another and those outside our circle?
- Spend some time in prayer and worship inviting Jesus to fill you with a love worth sharing...*

#### **Going deeper**

Take a dive into 1 John 2 & 3.

- What does John actually say about love in these chapters?
- What are the implications for us in what he says?
- Where are you specifically challenged in regards to what he says?
- What will you do about it?
