

When pigs fly - Week 4 - 'Trusting God in times of uncertainty' - PROVISION

Getting started

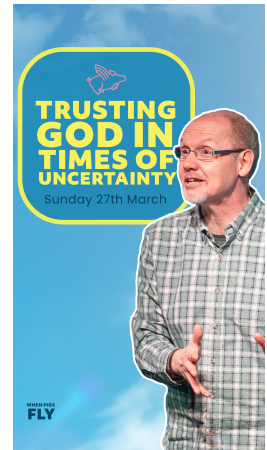

How much was your first pay packet? How about your first car or your first house? Have some fun comparing costs then to now!!

Getting stuck in

This week we are thinking about miracles of **PROVISION**

In times of uncertainty it can be hard to trust God for what we need.

- What are some of the things we typically need to trust God for when it comes to provision?
- How do we distinguish between 'needs' and 'wants'?
- Where are you likely to struggle when it comes to this subject?
- Does anyone have stories of how God has provided in the past?

There is an old phrase, **when God guides He provides....**

- What's the truth in this saying and what's the caution do you think?

One of the stories referenced Sunday was Mark 6 v.30-44. Read the story....

- What hits you from this well known story?
- What do you find intriguing?
- What do you find challenging?
- What role does fear and faith have when it comes to us participating in Gods provision?

'God doesn't bless us to raise our standard of living but to raise our standard of giving' - in what ways is this quote challenging?

- Do you have need of a miracle of provision right now? Or maybe another miracle?

Spend some time praying for one another....speak into each other's lives and situations

Going deeper

Read the story from Genesis 22 v.1-14

- Why is this such a difficult story for us to hear in todays context?
- What do we learn about faith from Abraham in this story?
- What do we learn about God and His miracle provision?
- How are we challenged by these things? What will we do?
