

Genius CG notes - If is true, what will you do?

Getting started

- Catch up after easter, what was a highlight for people over the season?
- If you could be a genius at anything what would it be and why?

Getting stuck in

The Genius of Jesus is transferable and it came about because of the shift made after the resurrection. **Jesus ascended to heaven and promised the Holy Spirit.**

Read the story in Acts 1 v. 1-11.

- Try to put yourself there, what's going through your mind as the story unfolds?
- What questions do you still have for Jesus before he leaves?
- What emotions do you go through as this unfolds?
- What excites you about what Jesus is doing here?

A huge part of the transfer of the genius of Jesus is the infilling of the Holy Spirit.

- What do you understand this to mean?
- What has been your experiences of being filled by the spirit?
- The disciples start to get distracted in v. 6, what are some of the things that distract us from the mission Jesus has given us?

Finish by praying for one another to be filled with the spirit...spend some time, worship, pray, speak into each other's lives....

Pray for those who came to events over Easter that the spirit would be at work in their lives

Pray for Alpha courses starting soon and people already signing up....

Going deeper

Look at the following scriptures about the work of the Holy Spirit.

Eph. 5 v.18-20/John 14 v.26/Romans 8 v.26/John 16 v.12-15

- What do these verses actually say?
- What do they mean to us today?
- What have you learned or are learning about applying these to your life?
