

Ruined - Connect groups **Rebuilding our broken world - Week 3**

Getting started....

Encourage the group to share their DIY stories, successes and failures! Don't judge!! 😊

Getting stuck in...

Nehemiah has been 'ruined' for a vision to help re-imagine the future for Jerusalem and the people of God. He is now back in the city and looking at the condition the place and people are in. It's time to call the people into the NEW thing God is doing....now it's time to REBUILD

Read Nehemiah 3 v. 1-5.

- What strikes you from this story?

Look at v.5, the nobles of Tekoa were reluctant to get stuck in.

- What are some of the reasons people are reluctant to help rebuild?
- What have been your experiences with this?
- What could it mean for you to respond to the call to REBUILD do you think?
- If we are to focus on where we work and where we live as well as the church, what are some of the implications if that for everyone one of us?
- What can we do to help encourage each other to be rebuilders?

Read Neh. 4 v.1-3.

- How frustrating is it when we get this kind of criticism and opposition?
- What are you learning about resilience in these days?

Getting personal...

Read Neh. 6 v.9.

- Where do you need God to strengthen your hands right now?

Spend some time praying for one another....allow God to speak and share things with one another to encourage and to build up.....

Pray for the church and for all the people joining the dream team in these days...

Pray for our nation and our communities trying to REBUILD after Covid and now the passing of the Queen. **It's time to reimagine the future!!**
