

CONNECT GROUP NOTES FOR NOVEMBER 6TH

IT'S A MATTER OF TRUST

Get Started:

Would you describe yourself as more of a thinker or a feeler? Do you tend to over-think situations or more “go with the flow”?

Get stuck in....

What has your attitude and perspective been about self-reliance?

Jeremiah 17:5-8

What self-reliance “side effects” have you seen in your life?

(Unfaithful, Unmoved, Unbelieving, Uninspired, Unattached)

Are there some other “side effects” that you may see that weren't mentioned on Sunday?

How have you believed that self-reliance has been working for you?

Where do you need God's help to live a life of confidence, courage and being a catalyst?

Read Proverbs 3:5-6

What do these verses mean to you?

Give some examples of when you have trusted God and not leant on your own understanding

Where is it easier to trust God and in what areas is it more difficult for you?

What do you currently depend on when making decisions in your life?

Get praying

Look at the lyrics of the song we ended with on Sunday “Same God”: which God of do you need most right now Jacob, Moses, Mary or David

Pray for each other around the ultimate dependency and reliance of God to be faithful in your circumstance! Let go of our self-reliance.
