

## **Connect group notes - How to know God through your unique wiring**

### **Getting started**

Would you rather.....

- Go for a walk in the country or go shopping in a city?
- Holiday at the beach or holiday in the mountains?
- Read a book to watch a movie?
- Get take away or eat out?

The purpose of this is to show that we are all unique and individual!

### **Getting stuck in**

If this is true that must impact how we connect with God!

Before we dive into that read the following passages of scripture and open up conversation.

Psalm 139 v. 1-18

- What does this say?
- What difference should it make to the way we live?

John 15 v.1-8.

- What does this say?
- Why is the picture Jesus uses so powerful?

We know we should remain in Christ but sometimes it's hard to do because we all have unique wiring. Using the spiritual pathways mentioned on Sunday open up conversation

**Relational**  
**Intellectual**  
**Serving**  
**Worship**  
**Activist**  
**Contemplative**  
**Creation**

1. Identify you - which 1 or 2 best describe how you connect easiest with God? *Use the assessment that was handed out on Sunday if needs be*
2. Lean in - how can you lean into your pathway to strengthen your relationship with God?
3. Learn from - which 1 of these pathways would you like to learn from that is not natural for you? How could you do that?
4. Help others - how can we help others discover their unique pathways so they can grow in their relationship with God

### **Getting personal**

Finish by praying for one another....be real, honest and vulnerable that's where we encounter Jesus the most!
