

## **Googling God - Connect group notes**

### **Question = When will Jesus return?**

#### **Getting started**

Ask the group for a show of hands, “who is early for everything and who is often late for everything?”

When it comes to time keeping what are our trigger points or irritations?

#### **Getting stuck in**

This week the big question is...when will Jesus return?

- Why has this issue been a fascination for many people do you think?
- What has been your experience with this question?
- Is it something you've thought of often or never thought about at all?

The 4 points we considered Sunday were...

What we were never meant to know - What we are unsure about

What we are certain of - What our response should be

- What spoke to you from these points?
- What questions do you still have?

Read some of the following scriptures.....

Matthew 24 v.30-31/Acts 1 v.9-11/Titus 2 v.11-14/Rev. 1 v.7-8

- What inspires and encourages you from these verses?
- What are you unsure about or would like to know more about?

#### **Getting practical and personal**

Let's consider the responses from Sunday and ask how are we building these in our lives?

*We should be watchful - We should be careful - We should be purposeful - We should be hopeful*

Finish by praying for each other...is there anything in your life you want to deal with in the light of what we have spoken about?

Pray for those who don't yet know Jesus....it matters!!!

Pray for this weekend with Mark Richie that many will give their lives to Jesus....

Series runs 16th April - 14th May
